

RECEIVED

The Association of the Austrian Chemical Industry,  
after an audit by independent experts, grants to

***Donau Chemie AG  
Werk Landeck***

the right to use the international Responsible Care-Logo complying  
with the rules set out by CEFIC for a period of three years.

The company name and site are listed  
in the Austrian Directory of Certified Members.

Managing products, processes and plants,  
the enterprise considers safety as well as the protection  
of people and the environment as a primary concern.

## Responsible Care
